TERMS OF SALE

ALL QUOTATIONS in this catalog are for immediate acceptance, subject to stock being sold.

While we exercise great care to have our trees and plants true to label, and hold ourselves in readiness, on proper proof, to replace any or all plants which may accidentally prove untrue to label, free of charge, or refund the amount paid, therefore, it is mutually understood and agreed between the purchaser and ourselves that we shall not be held liable for a greater amount than paid for the plants.

We make no charge for packing and delivery to the carrier.

We do not care to fill orders for less than one dollar.

Unless otherwise specified all our plants are POT GROWN and can be transplanted at any time of year.

Our plants are grown under natural conditions and our customers will find them healthier and more vigorous than those grown under artificial conditions.

Plants marked O. G. are from open ground.

FLOWERING PLANTS

- Aralia Papyrifera.** Rice Paper Plant of China. Leaves large and palmate, silvery on under side. Flowers small and white. 25¢.
- Buddleia Asiatica.** Butterfly Shrub. Grows to a height of ten feet, producing in Jan. and Feb., white flowers in very fragrant panicles, 3 to 6 inches long. This shrub has proven very desirable in our gardens. 25¢.
- Bauhinia Purpurea.** Mountain Ebony. A very showy shrub or small tree, blooming in winter and spring. 15¢ and 25¢.
- Caesalpinia Pulcherrima.** Dwarf poinciana. One of the most popular and showy shrubs in warm climates. Flowers red and yellow. 15¢ and 25¢.
- Chalcas Paniculata.** Orange Jessamine. A fine shrub, bearing flowers resembling orange blossoms; coming several times a year, followed by red berries which are a striking contrast to the dark green foliage. 25¢.
- Daedalacanthus Nervosus.** A small shrub growing to four feet, bearing bright blue flowers in winter. 25¢.
- Datura Arborea.** Angel's Trumpet. A large shrub bearing white flowers a foot in length. 15¢ and 25¢.
- Dombeya Wallichii.** (Assonia). A large shrub or tree with large velvety leaves; flowers pink in large drooping umbels. 35¢.
- Erythrina Crista Galli.** Coral Tree. A bushy shrub bearing scarlet flowers in long terminal racemes. 25¢.
- Hibiscus Rosa-Sinensis.** Chinese Hibiscus. Valuable shrubs for planting in Florida. They flower freely all summer and show some bloom at all times. If cut back early in the fall it will bloom all winter. We offer the following colors:
- H. Double Pink, 15¢ and 25¢.
- H. Double Scarlet, 15¢ and 25¢.
- H. Peachblow. Large double flowers of soft pink with deeper center. 15¢ and 25¢.
- H. Single Pink, 15¢ and 25¢.
- H. Single Scarlet,—the grandest of all the Hibiscus. Flowers from 2 to 6 inches across, of a brilliant red. Blooms continuously. The best for Avenue planting. 25¢; \$2.00 per doz.; \$12.00 per hun.
- Schizopetalus.** Climbing Hibiscus. Flowers single with peculiarly cut petals. 25¢.
- S. White.** A new variety with single flowers. When first opened is pink, changing to pure white. 50¢.
- Ixora Amboina.** Flame of the Woods. Flowers small, in dense clusters. Color orange-yellow; lasting well. 35¢.
- I. Parviflora.** Flowers greenish-white in large dense "heads;" leaves, 4 to 6 inches. 35¢.
- Jacobinea Coccinea.** An erect shrub growing 3 to 5 feet high; flowers crimson, in a dense terminal spike. 15¢ and 25¢.
- Lagerstroemia Flos-Reginea.** Queen Crape Myrtle. A large shrub with pinnate foliage and large panicles of mauve flowers. 35¢.

- L. Indica.** Our common Crape Myrtle so much used in the south. One of the finest as well as easy to grow. When in bloom they are covered with large panicles of beautiful flowers. We can supply two colors; crimson and pink. 25¢; \$2.00 per dozen.
- Lantana.** Soft shrub, used as bedding plant; color of flower heads varying in pink, yellow, orange and red. 15¢.
- Nerium Oleander.** The famous Oleander is an old-fashioned evergreen shrub, known to everybody and cultivated everywhere in southern countries. They are very useful for hedges and also for single specimens. Red, pink and white, from open ground, 20¢; \$2.00 per doz.
- N. Variegata.** Variegated Oleander. This has beautiful green leaves with broad band of creamy-yellow along the edge. Flowers double pink. Pot-grown, 35¢.
- Plumbago Capensis.** A small shrub with drooping stems. Flowers blue. 25¢.
- Russellia Juncea.** Coral Plant, or Fountain Plant. A plant with long, willowy, dark green stems and very little foliage, and small scarlet flowers. 25¢; \$2.50 per dozen.
- Tabernaemontana Coronaria.** Cape Jessamine. A beautiful shrub with dark, glossy-green foliage. Flowers white and fragrant. 25¢; \$2.00 per dozen.
- Tradescantia Discolor.** Ornamental plant with bluish-green leaves on the surface, purple underneath. 15¢.
- Verbesina.** African Daisy. Quick growing, branching bush, producing in winter time hundreds of rich yellow flowers 3-4 inches in diameter. 25¢.

FOLIAGE and DECORATIVE PLANTS

- Acacia Farnesiana.** Popinac. A much branched tree or shrub, with flowers in globular heads; yellow; very sweet scented. 15¢ and 25¢.
- Acacia Floribunda.** A tall shrub or small tree, with the foliage at the end of the branches, giving the tree a thin, delicate appearance, with whitish-yellow flowers. 15¢.
- Acalypha Bicolor Compacta.** A dwarf plant attaining a height of four feet, with broad green leaves edged with creamy-white. 25¢.
- A. Marginata.** The largest sort. A very fast grower. Leaves large, margined with red and cream. 15¢ and 25¢; \$1.50 and \$2.00 per dozen.
- A. Miltoniana.** A dwarf plant with curiously cut narrow leaves; green and cream-colored. 25¢.
- A. Mosaica.** Mosaic-leaved. A grand plant with foliage showing yellow, red and green. 15¢; \$1.50 per doz. Larger, 25¢; \$2.50 per doz.
- A. Sanderi.** Leaves green with flower spikes long and drooping of a brilliant scarlet. 25¢ and 35¢.
- Acanthus Montanus.** An attractive, and also a very interesting plant. Leaves about one foot long, dark olive-green and very irregular in shape. Flowers white. 50¢ and \$1.00.
- Allamanda Nerifolia.** Small shrub growing to six feet, with yellow flowers. 15¢ and 25¢.
- Aralia Balfouri.** Leaves round, variegated green, cream and white. 35¢.
- A. Filicolia.** Foliage fern-like. Makes beautiful plant. 25¢ and 35¢.
- A. Guilfoylei.** A showy plant. Leaves compound, variegated cream, white and green. 15¢ and 25¢.
- Asparagus Plumosus.** An excellent house plant and may be grown out doors in Florida. Foliage last for days

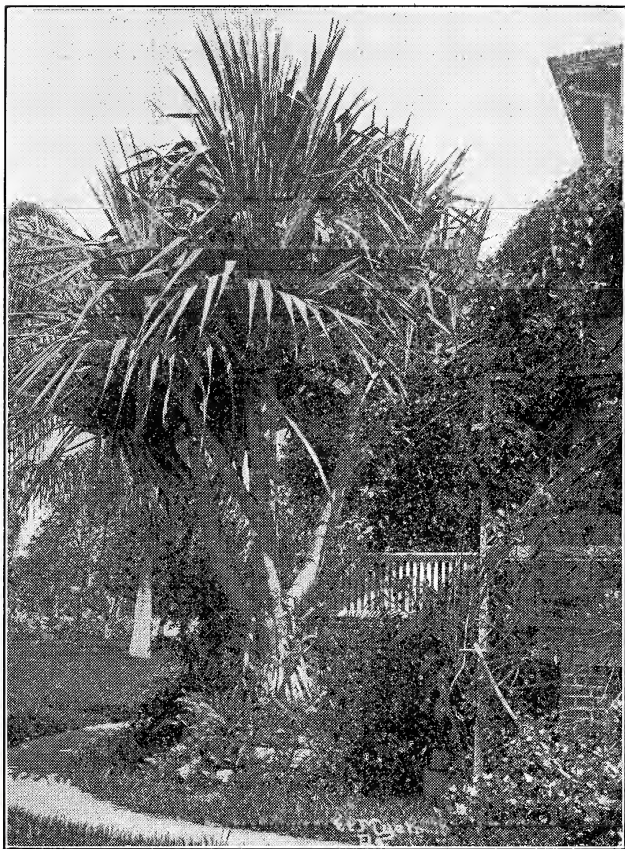

after being cut. 10¢ and 25¢.

A. Sprengeri. Very valuable for hanging baskets. Makes long, trailing fronds; very pretty. 15¢ and 25¢.

Aspidistra Variegata. A tough house plant. Insects never seem to attack it. Leaves broad, striped with white. 50¢.

Crotons. Excellent plant for decorative purposes; gorgeously colored with different combinations of green, red, yellow, white, bronze etc.

Very easily grown and are used extensively in the North for summer bedding and in Southern Florida for permanent bedding.

PANDANUS UTILIS

C. Alice. Broad leaves of red, yellow and green markings. 15¢ and 25¢.

C. Andrianum. Leaves broad, of red, orange and yellow. 25¢ and 50¢.

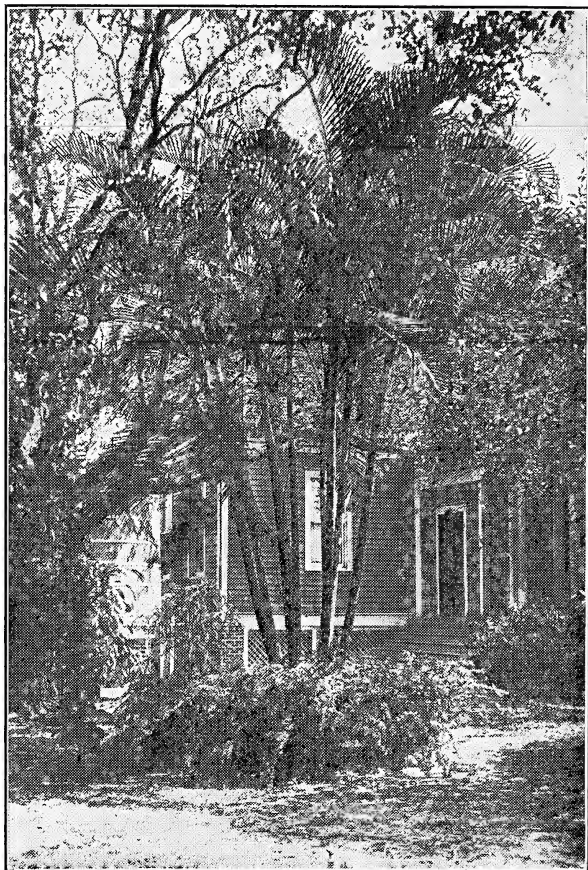

C. Aucubaefolium. Broad green leaves with yellow spots. Under surface of leaf bronze. 15¢ to 35¢.

C. Aureo-Maculata. Leaves narrow, green-spotted, yellow. 15¢ to 50¢.

C. Aurea Punctata. Leaves broad, green with yellow spots. 15¢ to 35¢.

C. B. Comte. Leaves broad of yellow, red, and green. 15¢ and 25¢.

- C. **Beauty.** Leaves medium broad; highly colored, yellow, pink, red and green. 25¢ and 50¢.
- C. **Formosum.** Leaves long and narrow; red, green and yellow. 15¢ and 25¢.
- C. **Ingomar.** Leaves long and narrow; green and yellow. 25¢.
- C. **Inimitabilis.** Very bright. Crimson, yellow and green. 15¢ and 35¢.
- C. **Irregulare.** Leaves irregular in shape; red, yellow and green. 25¢.

ARECA LUTESCENS

- C. **Johannis.** Very long leaves, green with bright yellow markings. This is one of our finest crotons. 15¢ to 50¢.
- C. **Jungi.** Leaves long, narrow, bronze, with crimson spots along the midrib. 20¢ to 35¢.
- C. **Lady Zetland.** Leaf narrow; red, yellow and green. Very pretty. 25¢
- C. **Lyratum.** Lyra-shaped leaves; green with yellow edge and rib. 15-25¢.
- C. **Maculata Katoni.** Leaves green, yellow and spotted. 15¢, 25¢, and 50¢.
- C. **Nestor.** Leaves olive, with pink midrib and green spots. Fine bedder and one of the finest crotons. 25¢ and 50¢.

- C. **Nobilis**. Irregular shaped leaf, turned to one side; green with brown rib and yellowish and crimson blotches. 35¢ and 50¢.
- C. **Picturatum**. Leaves long and narrow; green, red, orange and yellow. 15¢ to 35¢.
- C. **Ramhorn**. Leaves green and yellow, turning like rams horn. 25-35¢.
- C. **Reedi**. Wide leaf, green, pink and red. 25¢.
- C. **Rex**. Leaves long and graceful. Green, yellow and red. 25¢.
- C. **Queen Victoria**. Broad leaves; yellow, chocolate and crimson. Great favorite. 15¢ to 50¢.
- C. **Salamonia**. Leaves red and green, yellow spots. 25¢.
- C. **Spirale**. Leaves spirally twisted, bright red, yellow and green. 35¢ and 50¢.
- C. **Undulatum Quercum**. Leaves medium broad of yellow, red, pink and green. 25¢.
- C. **Veitchii**. Leaves green, yellow, and red. 15¢ to 35¢.
- C. **Williamsii**. Broad leaf; yellow green, pink and red. 25¢.
- Cyperus**. Umbrella Grass. An excellent plant for the house and can be grown as a sub-aquatic. Should at all times be plentifully supplied with water. 15¢ and 25¢.
- C. **Variegata**. Same as above but with stems beautifully marbled with creamy white. 75¢.
- Dieffenbachias**. A handsome decorative plant, with green leaves variegated with creamy-yellow. 25¢.
- Dracaenas Amabilis**. Leaves green, marked with pink and white. 50¢ and \$1.00.
- D. **Baptistii**. Foliage long and broad; cream, orange and red. 35¢ and 75¢.
- D. **Fragrans**. Leaves plain green. Very tough and a good plant for decorating. 35¢.
- D. **Imperialis**. Dark green leaves with yellow midribs, with pink shadings. 50¢ and \$1.00.
- D. **Lord Wolseley**. Leaves narrow, red bordered with bronze. 25¢ and 50¢.
- D. **Massangeana**. This is a grand plant with golden yellow stripe through center of each leaf. 25¢ and 50¢.
- D. **Stricta Grandis**. Leaves carmine red. 35¢ and 50¢.
- D. **Terminalis**. Foliage crimson, suffused with white and pink. 25¢.
- D. **Victoria**. Broad leaves striped yellow. 35¢ and 50¢.
- Euphorbia Pulcherrima**. The Poinsettia. Christmas Flower. A gorgeous plant. Used extensively by florists for decorating and for outdoor planting in the extreme south. The beautiful scarlet bracts are very showy and remain on the plant from November till March. 10¢; \$1.00 per doz. Larger, 25¢; \$2.50 per doz.
- Ficus Altissima**. This is one of the finest of rubbers. Leaves roundish with prominent veins. Makes a beautiful tree when planted out. Hardy in South Florida. 35¢ and 60¢.
- F. **Elastica**. One of the best for decorative purposes. This is also a fine tree for shade in South Florida. 35¢ and 50¢.
- F. **Elastica Variegata**. A beautiful variegated form of *Ficus elastica*. Beautiful new plant. \$1.00.
- F. **Pandurata**. The leaves of this grand plant are of a rich, dark green; banjo-shaped and very large. Fine plants. 75¢ and \$1.50.
- F. **Utilis**. Leaves very thick, about 10 inches by 5 inches; rich green with midrib and veins ivory white. 75¢, and \$1.00.
- F. **Wendlandi**. Leaves large and heart-shaped, of a rich dark green. 50¢.

- Myrtus Communis.** Myrtle. Pretty small-leaved shrub much used for cutting for wedding bouquets. 20¢.
- Pandanus Utilis.** Screw Pine. Resembles the pineapple plant. Leaves have small, red spines along the edges. About 20 in. high, 50¢; 24 in., 75¢.
- P. Veitchii.** Graceful green leaves marked with broad, white stripes. Very ornamental and a splendid house plant. 25¢ to \$1.00.
- Panax.** Beautiful plants for conservatory or for planting out in warm climate.
- P. Balfouri.** Round leaflets of rich, ivy-green abundantly splashed with pure white. 25¢ and 50¢.
- P. Gracillima.** Foliage deep green, with finely cut edges. 25¢ and 50¢.
- P. Monstrosum Aureum.** Deep green foliage, with golden-green variegation. 25¢ and 50¢.
- P. Victoriae.** Small, finely-cut foliage with white variegation. More white than any of the Panax. 25¢.
- Philodendron or Monstera.**
- Pertusum.** Hothouse climber with large perforated leaves. \$1.00.
- Phyllanthus, Snow Bush.** This shrub is very largely used for borders and hedges. Leaves green, white and pink. plants from ground, 15¢; \$1.40 per dozen; \$10 per hundred. Pot-grown, 25¢; \$2 per doz.
- P. Alba.** A beautiful plant either as a specimen or in border. More white than former. From ground, 25¢; \$2.00 per dozen; \$20 per hundred. Pot-grown, 35¢; \$3.00 per doz.
- P. Purpureus.** Purple leaved variety. 15¢; 25¢, and 35¢.
- Ravenala Madagascariensis.** Traveler's Tree from Madagascar. A beautiful and interesting plant; resembling the banana but with a trunk like a palm. Leaves large, in two ranks, thus forming a fan-shaped head of foliage. Hardy in southern Florida where it has withstood severe colds. 50¢ to \$2.00.
- Sansevieria Zeylanica.** An elegant, variegated plant, standing more hardship and abuse than any plant we know of. 15¢ and 25¢.
- S. Zeylanica Laurentii.** Resembles the former except the long leaves have a broad, yellow stripe along the edge. A new and very beautiful plant. 50¢ and \$1.00.
- Thunbergia Erecta.** Pretty shrub, from 4 to 6 feet, with dark green foliage and blue, bell-shaped flowers. 15¢ and 25¢.

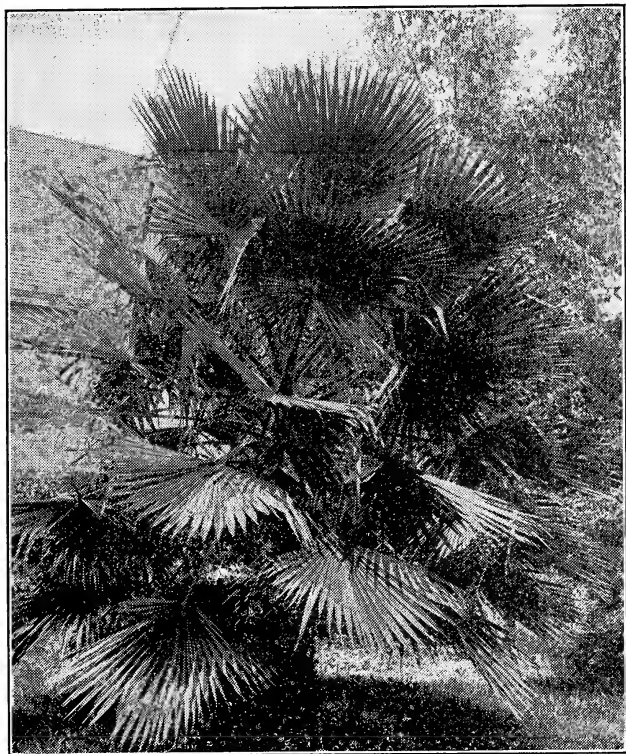

SHADE, STREET and DECORATIVE TREES

- Araucaria Bidwilli.** Bunya-Bunya Pine of Australia. A fine tree of very symmetrical growth. Leaves pointed and stiff. Hardier than A. Excelsa. Nice plants, \$1.50 to \$3.00.
- A. Excelsa.** Norfolk Island Pine. A fine plant for decorative purposes: both in pots while small and for planting out in warm climate, where they grow to be large trees. \$1.00 to \$3.00.
- Casuarina Stricta.** Australian Pine or She-Oak. An odd, slender-branched tree of striking appearance. Used in southern Florida and parts of California as an avenue tree and for wind-brakes. Leaves needle-shaped; wood hard and valuable. 25¢; \$2.25 per doz. Larger, about three feet high, 50¢; \$5.00 per doz.
- Cinnamomum Cassia.** Chinese Cinnamon or Cassia Bark Tree. A handsome tree with dense habit like the camphor. Makes a grand shade tree. 15¢; \$1.50 per doz. Larger, 25¢; \$2.50 per dozen.

Crescentia Cujete. Calabash Tree. A handsome tree with wide-spreading, well foliated branches. The tree has somewhat the habit of a Burbank plum tree. 25¢.

Eucalyptus Citriodora. Lemon Scented Gum. A fine ornamental tree with lemon scented foliage. 15¢ and 25¢.

E. Robusta. The most popular of the family for planting in southern Florida as street trees and wind-brakes. The leaves are broad and thick. The plant grows very fast and symmetrical. Nice plants, 15¢; \$1.50 per doz. Larger, 25¢; \$2.50; per doz.; \$20.00 per hundred.

WASHINGTONIA ROBUSTA

E. Rostrata. This variety is more slender than robusta but is not so brittle and will stand severe storms without losing any branches. 15¢; \$1.50 per doz. Larger, 25¢; \$2.50 per doz.

E. Tereticornis. (Gray Gum). Grows straighter than rostrata and is more beautiful. 15¢; \$1.50 per doz. Larger, 25¢; \$2.50 per doz.

Ficus. Rubber Trees. See decorative plants.

Grevillea Robusta. Australian Silk Oak. A large tree with fern-like leaves. Used while small for decorative purposes. Makes a beautiful street or shade tree. About as hardy as the orange tree. 15¢; \$1.50 per doz. Larger, 25¢; \$2.50 per doz. From open ground, 4 to 6 ft., 50¢.

Jacaranda Mimosaefolia. One of the best flowering trees for subtropical planting. Foliage as finely cut as a fern, symmetrical and elegant. Stands pruning well and can be kept in regular form. 25¢, 50¢, and 75¢.

Melaleuca Ericifolia. Cork Tree. A tall tree with heavy layer of soft bark which produces cork. 25¢.

Poinciana Regia. Royal Poinciana. One of the most striking and gorgeous of tropical trees. Of fast growth and easy culture; thriving in almost any position. In spring the tree is almost entirely covered with brilliant scarlet flowers. The wonderful spread of this tree makes it very valuable as a shade tree. 15¢; \$1.50 per doz. Larger, from open ground, 25¢ and 50¢.

Parkinsonia Aculeata. A tree that should receive more attention. A wonderful sight when in bloom and grand lawn subject any time of the year. Will grow without water. 25¢.

Phyllanthus Distichus. Otaheita Gooseberry. Shrub or small tree up to 20 feet high. Fruit small; very acid; used for preserves. 15¢.

Sapium Sebiferum. Tallow Tree. A handsome shade tree with dense foliage. 15¢ and 25¢.

Thuja Orientalis. Arborvitae. Handsome tree for lawn. 15¢ to 35¢.

TROPICAL FRUITS

Achras Sapota. Sapodilla. A small tree with rather broad, evergreen leaves. Bears russet fruits a little larger than the peach, containing several oblong, black seeds. Bears two crops annually. 15¢; \$1.50 per doz. 25¢; \$2.50 per doz. Larger, 75¢. We have a few heavy grafted plants of this fine fruit in wooden boxes at \$1.50. Graft wood used from tree bearing fruits as large as an orange; of fine flavor.

Annona Reticulata. Bullock's Heart, Custard Apple. A native of Florida; found growing along the banks of streams and lakes. A large rough fruit containing many seeds. 25¢; \$2.50 per doz.

A. **Sp.** Resembles A Cherimolia, and is one of the best of tropical fruits. On account of its weak root system we have produced grafted plants on A. Reticulata stock, on which it grows well. Stocky, heavy plants in wooden boxes. \$1.50.

A. **Squamosa.** Sugar Apple. Small deciduous tree, bearing small fruit somewhat smaller than the orange, of sweet custard-like pulp. Fine. 25¢.

Artocarpus Integra. Jack fruit. Fruit of enormous size; sometimes weighing as much as thirty pounds. Tender. \$1.00.

Carica Papayra. Paw-Paw... Small trees, mostly unbranched. Foliage very ornamental, and bearing fruits resembling the melon. Our plants are grown from select seed. 25¢; \$2.50 per doz.

Carissa Bispinosa... A handsome evergreen shrub of value both for its fruit and for hedge purposes. Fruits about 1½ inches long of a brilliant scarlet. Flowers white and fragrant. 25¢; \$2.50 per dozen.

Cocoloba Uvifera. Sea Grape. Native of the Florida Coast and West Indies. Leaves large and round with reddish veins. Fruits, small purplish fruits in bunches like grapes. 25¢; \$2.50 per dozen. Larger, 50¢.

Eriobotrya Japonica. Loquat or Japan Plum. Beautiful tree with thick, evergreen leaves. Fruit ripens in winter and spring. Yellow when ripe and are fine for making preserves. Nice plants, 25¢; \$2.50 per dozen. Larger, 50¢; \$5.00 per dozen.

Eugenia Jambos. Rose Apple. A small tree with long, pointed leaves, shaped like those of the oleander. Fruit small, about two inches thick and rose-flavored. 15¢ and 25¢.

E. Uniflora. Surinam Cherry. A large shrub bearing small bright red fruits used raw or for jelly. Makes a nice pot plant as both the foliage and fruit are attractive. 15¢; \$1.50 per doz. 25¢; \$2.50 per doz.

Mammea Americana. Mammee Apple. A large evergreen tree with large oblong leaves, bearing edible fruits about five inches in diameter. 50¢.

Mangifera Indica. The Mango. Considered one of the best of tropical fruits and has been planted in large numbers during the past few years. We have had the old seedling mangoes in Florida for many years, but it has only been of late years that the finer varieties have been imported from India, and their appearance has been the means of causing the mango industry to flourish in South Florida.

The Mango is very tender and should be protected while young, and unless planted in extreme south Florida, should be planted in protected places. Where possible, everyone should have one or more of the finer sorts. We offer the following grafted plants in wooden boxes:

M. Haden. Seedling of Mulgoba and almost as good in quality; prolific bearer. Fruit golden yellow, crimson-red on sunny side. \$2.00.

M. Mulgoba. The most popular and most generally planted. Fruit has no fiber and considered the finest of any. \$1.75 each; \$18.00 per doz.; \$125.00 per hundred.

M. Rajpury. Fruit nearly round, weighing a little over half pound. Flavor very rich and different from other mangoes. Very little fiber. Price the same as Mulgoba.

Mellicocca. Spanish Lime. Fruit somewhat acid, but fine; about the size of the plum. Tree grows to a good size. 25¢; 2.50 per dozen.

Monstera Deliciosa. (Ceriman). Leaves very large and peculiar. Fruit shaped like the pine cone and resembles the pineapple and the banana in flavor. Very fine. \$1.00 and \$2.00.

Musa. (Banana). Hart's Choice or Lady Finger. Considered by many to be the best for planting in Florida. More hardy than most bananas. Suckers, 25¢; \$2.00 per dozen.

M. Orinoco. (Horse Banana). A tall sort, fruit something like the plantain. Fine for cooking, but very good raw. Price the same as above.

Persea Americana. Avocado. A very ornamental tree; growing 30 to 40 feet high. The fruit is one of the most valuable on our markets, and always commands a good price; selling as high as \$30.00 per crate after Jan. 1st. The varieties offered by us are among the best imported, and, while some of the varieties have not yet fruited in Florida, we consider them as hardy as the orange after they are three years old.

Our plants are grafted (not budded) and are grown in wooden boxes 5x5x12 inches.

WEST INDIAN TYPE

P. Trapp. Matures its fruit in November although it lasts well into Feb., if allowed to hang on the tree; and sometimes into March. Fruit round, green and of a good quality. Is the oldest commercial pear on the market. 1.50 each; \$15.00 per doz.; \$100.00 per hundred.

P. McCann. Tree of vigorous growth. Fruit pear-shaped green, ripens in November and keeps till February; seed tight and pulp of rich flavor. Price same as Trapp.

MEXICAN TYPE

- P. Fuerte.** Fruits oval of about fourteen ounces in weight. Flesh yellow, smooth and buttery, and of rich flavor. It is said to be an unusually strong grower. Season (in California) Oct. and Nov. \$2.50 each. Very hardy.
- P. Rhoad.** Strong grower and fairly hardy. Fruits about four inches long; weight one pound. Season April to June. \$3.00.

LATANIA BORBONICA

- P. Taft.** Tree very handsome and a vigorous grower. Fruit weighs about one and a half pounds. Meat light yellow, smooth and no trace of fiber. Season Feb. to March. \$2.50 each.
- P. Walker.** A good grower with rather small fruit, weighing about 8 ounces. A prolific bearer. Season March to July. \$2.50 each.
- Psidium.** The Guava. We can furnish mixed seedlings of good varieties at 15¢; \$1.50 per doz.
- P. Cattleyanum.** The Cattley Guava. More dwarf than the above, also more hardy. The leaves are broad, thick and handsome. 15¢; \$1.50 per dozen.

Sapota. Sapodilla. A small tree with rather broad evergreen leaves. Fruit about the size of a peach or a little larger, with several large, black seeds. The "Chicle" used in the manufacture of chewing gum is produced by this tree. Small, 15¢; \$1.50 per dozen.

Tamarindus Indica. Tamarind Tree. Makes a large and very ornamental tree, bearing pods containing edible pulp, used in making delicious drink. Small, 15¢.

VINES AND CREEPERS

Abrus Precatorius. Crab's Eye Vine. Quick growing vine With nice foliage. Seeds bright scarlet with black spot, hang on the vine in open pods for 3 to 4 months after becoming ripe. 15¢.

Allamanda Hendersonii. A strong growing shrub, suitable for growing on a trellis. Large golden yellow flowers. 25¢; \$2.50. per doz.

A. Violacea. Slender-growing climber and quite distinct from all other species. Flowers of reddish purple. 35¢.

A. Williamsii. More dwarf and compact; flowers smaller. 25¢; \$2.50 per dozen.

Antigonon leptopus. Mountain Rose. One of the handsomest climbers; it grows 30 to 40 feet high and is covered from top to bottom with a mass of bright, rosy red flowers. 15¢

Bougainvillea Glabra Sanderiana. One of the most beautiful climbers for South Florida. Shows some bloom all the year, but in winter and spring it is entirely covered with rich magenta flowers. 35¢; \$3.00 per doz.; \$20.00 per hundred.

B. Refulgens. Taller and thicker leaves than Sanderiana. Flowers blue to purple. 50¢.

B. Spectabilis Lateritia. Flowers larger and of a brick-red color. Very rare. \$2.00.

Bignonia Speciosa. With dark green foliage and clusters of large, purplish, bell-shaped flowers. 15¢ and 25¢.

Bignonia Venusta. Very vigorous grower, but will not stand very much cold. The vine is entirely covered in winter with deep orange-colored flowers, and sometimes in early summer. 25¢; \$2.50 per dozen.

Cissus Discolor. A small vine with heart-shaped, variegated leaves. 35¢.

Clerodendron Balfouri. A beautiful, quick-growing plant; flowers bright scarlet, enveloped in a creamy-white calyx. 25¢; \$2.50 per dozen.

Cryptostegia Grandiflora. Vine of strong, woody growth, with leathery and glossy leaves and showy, purplish flowers. 25¢.

Jaquemontia Pentantha. An attractive plant when in bloom, with clusters of blue flowers. 15¢ and 25¢.

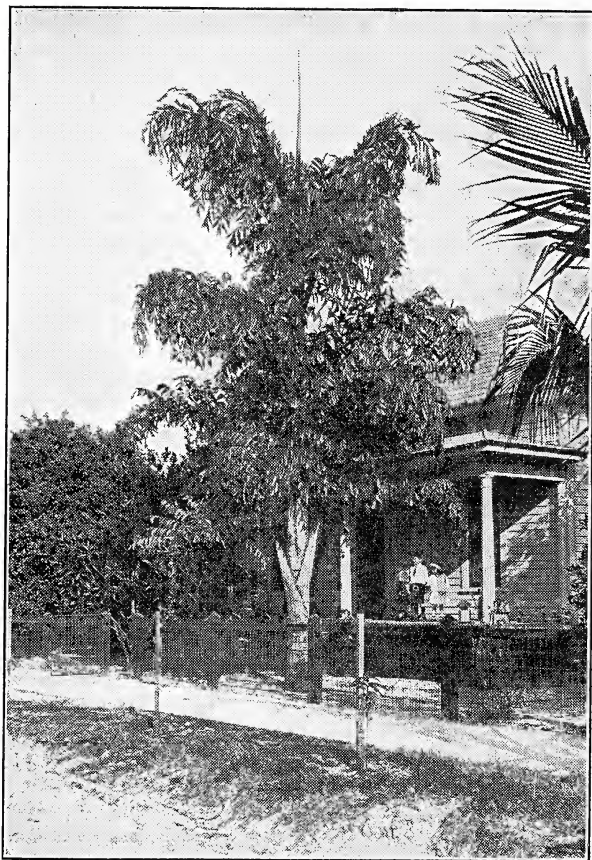

Jasminum Gracillimum. Flowers star-shaped, borne in clusters. Pure white. 15¢ and 25¢.

J. Malayan. Confederate Jasmine. 15¢ and 25¢.

Lonicera Honeysuckle. Evergreen, vigorous climber. Flowers white, changing to yellow; in bloom almost all the time. 15¢ and 25¢.

Pereskia Bleo. Lemon Vine. Cactus having true leaves and small edible fruit; used as stock for **Epiphyllums**. 15¢ and 25¢.

- Pothos Aurea.** Evergreen Vine. Leaves heart-shaped with yellow margins. 15¢ and 25¢.
- Solanum Seaforthianum.** Leaves compound; flowers, sky blue, followed by red berries. 25¢.
- Tecoma Capensis.** Flowers bright scarlet. A good plant for a sunny position. 25¢.
- Tetrastigma Harmandi.** A fast growing vine, with large deeply cut foliage; hardy. 15¢.
- Wistaria Sinensis.** Flowers light blue. Long racemes of attractive flowers in spring and summer. Deciduous. 35¢.

CARYOTA URENS—FISH TAIL PALM

- W. Alba.** Same as above with white flowers. 35¢.

BULBOUS PLANTS

- Alocasia Wacrorrhiza.** A beautiful plant with large, green leaves variegated with white. 50¢.
- Amaryllis.** Flowers trumpet-shaped; from 4 to 8 inches across. Color red. 15¢; \$1.25 per dozen.
- A. Hybridus.** A grand strain of hybrid Amaryllis; flowers of very large size and beautiful colors. 50¢ and 75¢.
- A. Johnsoni.** Flowers deep crimson, striped with white. 25¢; \$2.25 per dozen.

Caladium. Nice plants for window-boxes and are also nice for bedding purposes in protected places. Plants start into growth about April first, dying back in fall. 15¢; \$1.50 per doz.

Caladium Esculentum. (Elephant's Ear.) One of the most effective plants for bedding. Grows to 8 ft. and bears leaves of enormous size. 25¢; \$2.25 per dozen.

Cannas. They grow very rapidly and bloom freely. They should have rich soil, sunny position and plenty of water.

ARENCA SACHARIFERA

We have a nice assortment not named. 15¢; \$1.25 per dozen.

FERNS

Alsophila Australis... Australian Tree Fern. A very rapid growing tree fern suitable for large ferneries. Fronds are broad and long; lace-like in appearance. Used in Southern Florida for planting out. Small plants 25¢; Larger, 50¢; fine plants, \$1.00 and \$2.00.

Lygodium Scandens. Japanese Climbing Fern. 15¢.

Nephrolepis Davallioides Furcans. The "Fish Tail" or Stag-Horn Boston Fern. One of the best ferns as it grows to a large size under any ordinary condition. Small, 15¢; \$1.25, per dozen. Larger, 25¢, 50¢, and 75¢.

- N. Exaltata.** The old original Sword Fern. Fronds long and narrow. 10¢ and 25¢.
- N. Bostoniensis.** The Boston Fern. Fronds arch and droop very gracefully. The old favorite. 15¢ and 25¢.
- N. Goodii.** "Baby's Breath Fern." Fronds very fine and filmy. Nothing is more exquisite than a well-grown specimen. 25¢.
- Polypodium Mandaianum.** A beautiful fern, producing on well-grown specimens, fronds four to five feet long. Very free growing and makes magnificent specimens in all its sizes. \$1.50 and \$2.00.

MISCELLANEOUS

- Agave.** (Century Plant.) One of our most beautiful decorative plants. Sorts named will stand quite a bit of frost. O. G.
- A. Americana Variegata.** A handsome variety, with leaves striped with creamy-white. 25¢ and 50¢.
- A. Neglecta.** Leaves green, recurved. Large sort. 25¢.
- Epiphyllum.** Crab-claw Cactus. Grows very easily; the long growth hanging down over the side of the pot. Flowers rosy crimson, coming in winter. 15¢ and 25¢. Grafted on straight stems. 50¢ and 75¢.
- Euphorbia Splendens.** (Crown of Thorns.) A low-growing plant with many thorns. Flowers scarlet. 25¢.
- Furcraea.** Resembles the Century Plant; leaves green with wide, yellow margin and the point is practically without needle. 75¢ and \$1.00.
- Opuntia Vulgaris.** Prickly Pear. Very spiny species common in Florida. Flowers bright yellow. 10¢. O. G.
- Yucca Filamentosa.** (Bear Grass.) A native plant with long green leaves. Flowers are borne on tall stalks above the plant. 15¢ and 25¢. O. G.
- Y. Variegata.** Resembles the above, except leaves are striped with white. 50¢

PALMS

- Areca Lutescens.** One of the most beautiful palms in cultivation for house decoration and does well planted out in extreme South Fla. Stems and trunk yellow with rich green foliage. Our plants are good bushy specimens. 25¢, 50¢, and 75¢. About 3 feet, \$2.00. Above 4 feet, \$3.50.
- Areca Verschaffelti.** A splendid palm with finely divided pinnae of deep green color with yellowish midrib. 50¢ and \$1.00.
- Arenga Sacharifera.** Sugar Palm. A very tender palm and not very decorative when young, but very beautiful when 6 to 8 yrs. old. 50¢ and 75¢.
- Caryota Urens.** Fish Tail Palm. A beautiful palm with each leaf segment resembling the tail of a fish. Of quick growth and attaining 70 to 80 feet with a large trunk. 25¢, 50¢, \$1.00, and \$2.00.
- Cocos Nucifera.** The Cocoanut Palm. One of the most graceful of palms with its long branches and leaning trunk. Grows along the coast of most tropical countries and is the palm from which the cocoanut of commerce is gathered. 50¢ to \$1.00.
- C. Plumosa.** Plumed Cocos. One of the finest palms for out door planting in South Florida. Resembling the Royal Palm somewhat, but with longer leaves, which are of a very dark green color. Trunk smaller than the royal. Hardy in southern Florida. Small plants 25¢, \$2.00 per dozen. Larger, 50¢; \$5.00 per doz. 75¢; \$7.50 per doz. \$1, \$2, \$3, and \$4.

Cycas Revoluta. Sago Palm. Usually classed with palms although it is not one. Rough stem crowned with very dark green leaves. Will stand much abuse as a house plant and is hardy in Florida. Nice plants, 3 yrs., 50¢. Larger, 75¢, \$1.00, \$2.00, and \$3.00.

Dictyosperma Alba. Slender palm of quick growth. Leaves light colored and broad pinnae. 50¢ and 75¢.

D. Rubra. Resembles the Areca somewhat but with leaf stems tinged with red. Not of much value for decorative purposes but valuable for planting out in South Fla. 25¢, 50¢, and 75¢.

Elaeis Guineensis. Oil Palm. From Africa. A very ornamental palm with long leaves. Grows to 50 feet with a large trunk. 50¢ and \$1.

Hydriastele Wendlandi. Tall palm with pinnate leaves; forming trunk quite young when about four feet high. \$1.00 and \$2.00.

Latania Borbonica. Chinese Fan Palm. Hardy but of rather slow growth. Used very extensively as a house palm. Stout trunk with leaves four to six feet in diameter. 15¢, 25¢ 50¢, \$1.00, \$2.00, and \$5.00.

Livistona Rotundifolia. When young this palm is very dwarf and very desirable for table decorations. Makes a trunk 40 to 50 feet high with dark green, circular leaves. 50¢ and \$1.00.

Martinezia Caryotaefolia. A slender palm resembling the fish-tail palm somewhat but with trunk, stems and leaves covered with spines. 25¢, 50¢, and \$1.00.

Oreodoxa Regia. The Royal Palm of the Tropics. The most magnificent of all the palms. With its large, smooth, bottle-shaped body and long, green leaves it is truly the Prince of palms. These beautiful trees are found in the Everglades of Florida, growing to a height of 100 feet. Not very ornamental while young as they are tall and slender.

Tender when young but large specimens will stand severe frost without much damage. 15¢; \$1.50 per doz. 25¢; \$2.50 per dozen, 50¢; \$5.00 per dozen. Larger, \$1.00 and \$2.00.

Phoenix Canariensis. While nearly all the Phoenix are perfectly hardy in Florida, this is one of the hardiest and also one of the most beautiful. With its long dark green leaves and massive trunk, it is a splendid lawn subject. 25¢; \$2.50 per doz. 50¢; \$5.00 per doz. Larger, 75¢, \$1.00, and \$2.00.

P. Reclinata. Quick growing palm with arched leaves and small trunk. If the suckers are allowed to grow it makes a dense clump, but if they are removed for a few years they cease to sprout. 25¢; \$2.50 per doz. 50¢; \$5.00 per doz. Larger, \$1.00 and \$2.00.

P. Roebelenii. A very dwarf palm attaining a height of only four or five feet, but very valuable for decorative purposes because of its great beauty. 50¢, \$1.00, and \$2.00.

P. Rupicola. A nice palm for out door planting as well as for use in pots. The leaves are softer than most Phoenix and are of a bright green color. 50¢, 75¢, \$1.00, and \$2.00.

P. Zeylanica. Ceylon Date. Has a trunk about 20 feet high, with leaves of a very dark green. Nice plants; 75¢ and \$1.00.

Seaforthia Elegans. One of the most decorative of the palm family. Trunk slender, leaves, pinnate about 10 ft. long. Quite hardy in South Florida. 25¢ to \$2.00.

Thrinax Argentea. Thach Palm. An elegant rather slow growing, deeply cut fan palm, the best for indoor use. 35¢ to 50¢.

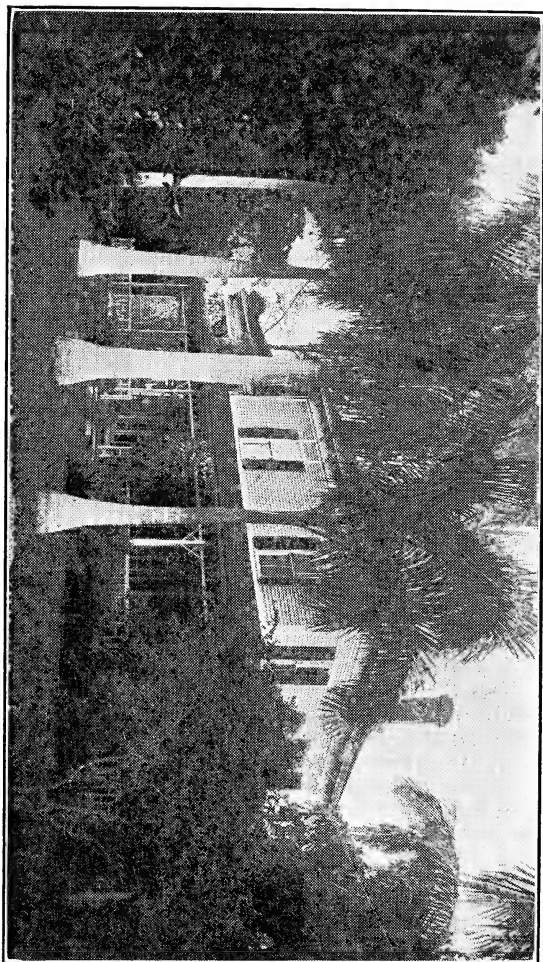

Thrinax Parviflora. Resembling the above, except it is larger and has broader leaf. Large specimens at \$1.50 to \$2.00.

Washingtonia Robusta. California Fan Palm. A very fast growing fan palm and used very extensively in California for avenue planting. Resembles our native cabbage palmetto somewhat but a faster grower and far more beautiful. Hardy.

We have a good stock of this serviceable plant. 25¢; \$2.50 per doz. 50¢; \$5.00 per doz. Larger, 75¢, \$1.00, \$2.00, and \$3.00.
